

National Military Suicide Survivor Seminar

Each fall, TAPS creates a sacred space of hope, help and healing for survivors of suicide loss in the form of the National Military Suicide Survivor Seminar. Bringing together surviving family members and loved ones from all parts of the country, this TAPS Seminar offers an opportunity to connect with others who understand loss, find resources and learn how to tell your story — and that of your loved one.

The TAPS Good Grief Camp is a program for children who have lost a loved one who served in the Armed Forces. Good Grief Camp provides a safe space for military children to explore grief and embrace healing.

The Extra Mile Ministries

K9 Comfort Team has brought K9 Comfort to TAPS Suicide Survivor Seminars for seven years. We have traveled to St. Petersburg Fl. Colorado Springs, CO.

San Diego CA. and most recently to Phoenix AZ.

In Phoenix we were able to only have two K9 Comfort dogs available, but they worked hard and brought comfort to over 1,000 people who had lost their military loved ones to suicide.

To continue this ministry and the cost associated with our outreach we do need donations and your continued prayers. You can donate to our ministry at the following address:
